

# About Fortune Auction

Fortune Auction started as a result to create a bidding platform that people can own items during this pandemic. We are a digital bidding platform that exhibit or auction items and services for the luckiest person to own it.

**Purpose:** We exist to provide people with the opportunity to own items of their desire through luck at the thinnest fraction of its original cost as ticket cost.

**Vision:** To build a community of lucky people who have an unbiased opportunity to own items their desire through pure luck regardless of their background and status.

**Mission:** To create an unbiased technology platform that allows the luckiest person to own items or services of their desire without human bias interference. Through connecting the owner of such item or service to those who want to own or use them.

## **Values:**

1. **Humility:** We always seek to improve through feedback. Listen! Listen!! Listen!!!
2. **Honesty:** We love to work with honest people (vendors & users) because honesty is what we need to transform people's lives for the best regardless of their background.
3. **Innovation:** We strive to create new things every time. We Test, fail, learn, iterate, & repeat the process.

**TEAM:** We are a group of diverse passionate youths with the desire to build a world where you can get your wants & needs without pain & hustle. We believe that creating a community of people with the desire to meet their wishes and help others meet theirs will build a better world. Join Us Today!
